

2024 Motorized Recreation Access Rules and Regulations for Kapowsin Timberlands

1. License is for the personal use of a single adult and his or her dependent children 17 years and younger. Dependent children must be accompanied by the adult License Holder. Licenses are non-transferable or refundable. License only allows access to the property for the license holder. **IF LICENSE HOLDER ALLOWS ANY OTHER PERSON TO ENTER THE PROPERTY, THIS LICENSE SHALL BE AUTOMATICALLY REVOKED.** This license is strictly for recreation access. No research or commercial activities are allowed. Each license is for the individual only. Any spouses, or adult ride a-longs, are required to have their own access license.
2. Any person accessing the property for recreational purposes must have a Recreation Access License. The signed permit must be in the possession of the license holder. License will not be replaced for any reason. Licenses are required for horseback riding, hiking and bicycling on property.
3. Access dates are from April 1, 2024 through March 30, 2025. Permit holders must fill out a sign-in card and leave at gate when entering property. Access is allowed any day of the week from one and one half hours before sunrise to one and one half hours after sunset. No access is allowed on July 3rd, 4th, or 5th of 2024. Property owners may add or delete access areas by posting signs as the only notification to license holders.
4. No access is allowed during modern firearm, archery and muzzleloader bull elk seasons in GMUs 652, and 654. Access for elk area 6014 and GMU 653 is allowed as long as the season does not coincide with the tree farm wide closure for the GMU 654 seasons. Kapowsin (elk area 6054) and Buckley (elk area 6014) are open for December-February antlerless elk hunts. See Washington Big Game Hunting Regulations for details.
5. Elk Hunting - All license purchased by May 2nd, 2024 will be entered into the bull elk draw. Kapowsin will draw 3 archery, 3 muzzleloader, and 5 modern firearm hunters. Winners will be selected on May 7th, 2024 with the winners notified within four (4) days via phone. **The forest will be closed to ALL recreation during those hunts with the exception of those drawn during their season. In addition to our email and website notifications, it is your responsibility as a license holder to be aware of those dates and know when the forest is closed.** Winners are responsible for applicable state and federal taxes, if any. If a Winner does not respond to MIM to claim the prize within forty-eight (48) hours or if a Winner is determined to be ineligible for not complying with the Rules or Terms of Use or for any other reason, then the prize will be forfeited, and a new Winner will **not** be selected.

Deer Hunting –In an effort to improve hunting quality, Manulife Investment Management Forest Management Inc will be setting regulations that go beyond WDFW regulations for our property. If you violate private regulations, your license will be revoked and you will be permanently banned from Manulife Investment Management Forest Management Inc Property. There will be a two-point minimum set for all deer seasons and weapon types. The Kapowsin and Eatonville permits will not allow general season antlerless deer hunting. Antlerless deer harvest will only be allowed if the licensee is drawn from the Youth, Disabled, or 65 & Over WDFW special permit categories

6. Two vehicle windshield stickers will be issued for every license sold. The decal must be permanently affixed to the bottom driver's side corner of your windshield. If materials are available, replacement stickers may be issued at discretion for a \$15.00 fee. You will be able to access a paper copy of your

license online and must carry this with you at all times. You may be asked to show photo identification to verify you are the permit holder named. If unable to verify you are the license holder you may be asked to leave the tree farm until identification is received.

7. One key will be issued with each license. License holder is responsible for security of gate key. If materials are available, replacement keys may be issued at discretion for a \$25.00 fee. Gate key allows access only to the gates specified for recreation access. Access points are through Buckley gate off of Ryan Road accessing Buckley block; Bridge gate off of Electron Road, south of Orting accessing Kapowsin Timberlands north of the Puyallup River; Kapowsin gate off of Camp 1 Road Kapowsin, WA accessing the area south of the Puyallup River.

8. License holder is responsible for closing and locking the gate behind him or her upon entering and exiting the property. If license holder leaves the gate open, then this license will be automatically revoked.

9. License holder may not or permit others to: (i) Use or possess (whether on his or her person or in a vehicle) alcohol, marijuana, or illegal drugs while on the property; or (ii) enter or remain on the property while under the influence of alcohol, marijuana, or illegal drugs. In addition, RCW 46.61.519 and RCW 46.61.005 apply while on property.

10. No fires, open flame, fireworks or any other items or activities that may cause fires. Smoking is not allowed outside of a vehicle.

11. No parking overnight EXCEPT in designated camping areas.

12. Drive safely at all times with vehicle headlights on and with the driver and all passengers seated within the passenger compartment of the vehicle with seatbelts securely fastened at all times. Drivers must stay to the right side of the road and be able to stop within half their sight distance. The maximum speed limit is 30 miles per hour unless otherwise posted. Forest management traffic such as log trucks, rock trucks, service trucks and crew vehicles have right-of-way. Parked or standing vehicles may not block or impede traffic at gates or on roadways.

13. Up to 5 cords of firewood may be cut annually from April 1 to April 14 and from October 16 to March 30 for personal use only. Firewood must be cut from designated areas and removed in firewood lengths, maximum of 20". Prior to leaving cutting area, a firewood tag must be firmly attached to the load of firewood, one tag for every $\frac{1}{4}$ cord of firewood on the load. A cord of firewood measures 4' x 4' x 8' and equals 128 ft³, $\frac{1}{4}$ cord equals 4' x 4' x 2' or 32 ft³. The month and day must be fully punched out of each tag that is affixed to load. Tags may not be re-used, reproduced or sold. Firewood may not be gathered outside the regular firewood season or from outside designated areas. Winching wood out of units, use of firewood splitters or commercial size vehicles and commercial sized trailers are prohibited. Cutting snags, buckskin logs, old growth and cedar is prohibited. Protect planted seedlings in areas where cutting. Firewood is not guaranteed, it is on an as available basis. Firewood units will be signed with "Firewood Cutting" signs and unit maps emailed out.

14. Between April 15 and October 15, carrying a 5-pound BC fire extinguisher and shovel is required by DNR.

15. No littering or dumping of garbage.

16. Berries, mushrooms and other forest products may be picked for personal use. No Christmas tree cutting.

17. No off-road vehicles (including street legal), electric bicycles, ATVs, UTV's, side by sides motorcycles or snowmobiles are allowed, including in the back of pickups or trailers. Horses may be ridden only in areas designated on map.

18. No target shooting. Firearms may be used for hunting during hunting seasons authorized by Washington Department of Fish and Wildlife (WDFW) only. Bag limits and regulations established by the WDFW apply. Property managed by Manulife Investment Management Forest Management Inc is not considered "open and unclaimed" for the purposes of treaty hunting.

19. Dogs and other animals must be under owner's control. No hounds are allowed on property during any deer or elk season.

20. Tree stands and game cameras are allowed if they are temporary so that nothing is driven, screwed, or nailed into the tree causing damage to the tree. These items may not be placed within 100 feet of bear feeders.

21. When game is harvested, game harvest cards must be filled out and left in box at gate before leaving property.

22. License holder must abide by all signs posted on the property and the instructions of any employee or representative of property.

23. License holder must abide by all modifications to these rules and regulations. License holder must report any accident that occurs while on property to Manulife Investment Management Forest Management Inc office at (253) 271-3127 or hancockrecreation@manulife.com within 24 hours of occurrence.

24. No drones permitted on property for recreational or commercial use.

25. VIOLATION OF THESE RULES AND REGULATIONS WILL, AT THE DISCRETION OF PROPERTY OWNERS, RESULT IN THE REVOCATION OF THE PERMIT. ALL SALES ARE FINAL; REFUNDS WILL NOT BE GIVEN FOR ANY REASON.

2024 Kapowsin Camping Rules & Regulations

1. This license allows Motorized Recreation Access license holders to stay overnight (camp) at designated areas on the Kapowsin Forest. Camping license is for personal use and is non-transferable.
2. License only allows camping for the permit holder and his or her immediate children 17 years and younger. Dependent children must be accompanied by the adult License Holder. IF LICENSE HOLDER ALLOWS ANY OTHER PERSON TO ENTER THE PROPERTY, THE CAMPING LICENSE AND LICENSE HOLDER'S RECREATION ACCESS LICENSE SHALL BE AUTOMATICALLY REVOKED.
3. Any person accessing the property for camping must have a current Motorized License for Kapowsin Forest. The signed license must be in the possession of the license holder. All recreation access Rules & Regulations apply to camping. In addition, the following rules apply.
4. All nighttime driving outside of campground is prohibited from 1½ hours after sunset to 1½ hours before sunrise. Driving outside of campground area at night is allowed in case of emergency only.
5. No camping is allowed July 3rd, 4th, or 5th. No camping allowed during any bull elk season unless you are drawn for the special elk hunt.
6. A sign in form must be completed prior to staying on the premises at the entrance gate. Camping license holders must check off 'Camping' on the sign-in card, indicate where they will be camping and leave at gate when entering property. If camping license holders camp in a location other than what is indicated on the sign-in card, they must fill out a second card with the correct location.
7. Camping license holders may camp only in the designated areas indicated on the map. No reserving of campsites is allowed or reserving (saving) for a fellow camper. Camping is on a first come first served basis. Owner makes no representation as to the availability of camp sites. License holders must return to camp and accompany their camp trailer or other equipment every evening. Maximum stay limit is 14 consecutive days, limited to 14 days on the property in a single month.
8. Recreation access windshield sticker must be attached to the lower left corner on the outside of the windshield of vehicle.
9. As stated in recreation access Rules & Regulations, permit holder may not or allow others to: (i) Use or possess (whether on his or her person, in a vehicle or at camp site) alcohol, marijuana, or illegal drugs while on the property; or (ii) enter or remain on the property while under the influence of alcohol, marijuana, or illegal drugs. In addition, RCW 46.61.519 and RCW 46.61.005 apply while on property.
10. Fires are allowed in fire rings only between April 1 to April 14 and October 16 to March 30. At the discretion of property owners, campfires may be restricted without prior notice regardless of fire level. Campers must build their own fire rings or use those previously established. Fire rings may not exceed 3 feet in diameter. All fires must be extinguished before leaving the camp site. Smoking is not allowed outside of any vehicle or recreational vehicle. Generators must have approved spark arrest exhaust systems.
11. Firewood may be cut or gathered from areas designated under the recreation access program only. When cutting or gathering less than ¼ cord of firewood to be taken directly to campground and

used in campground, no firewood tag is needed. All other recreation access rules related to firewood cutting apply.

12. No fireworks allowed. No target shooting.

13. No littering or dumping of garbage. Absolutely no dumping of grey-water or septic tanks while on property.

14. Dogs and other animals must be under owner's control.

15. Camping license holders must observe quiet hours from 10 pm to 7 am.

16. License holder must abide by all signs posted on the property and the instructions of any employee or representative of property owners. The property owners reserve the right to limit or prohibit access due to safety, fire hazard, extreme weather or other asset protection reason.

17. License holder must abide by all modifications to these rules. License holder must report any accident that occurs while on property to Manulife Investment Management Forest Management Inc office at (253) 271-3127 or hancockrecreation@manulife.com.

18. VIOLATION OF THESE RULES WILL, AT THE DISCRETION OF PROPERTY OWNERS, RESULT IN THE REVOCATION OF CAMPING PERMIT AND RECREATION ACCESS PERMIT. ALL SALES ARE FINAL; REFUNDS WILL NOT BE GIVEN FOR ANY REASON.
